

### FEATURES

Single Includes:

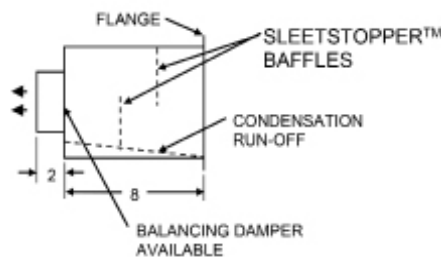

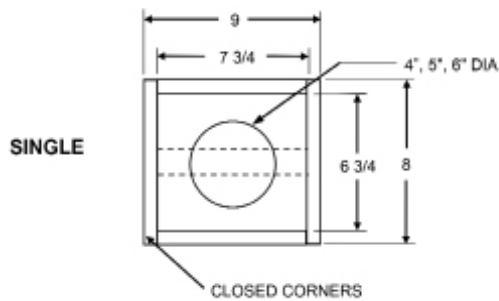

- Galvanized Steel Housing
- Baffles
- 4", 5" or 6" Intake Collar

### TYPICAL SPECIFICATION

This product is designed for use with HRV systems and gas fired fireplaces. It allows fresh air (make-up air) to be drawn from atmosphere. These Baffles reduce the risk of fine precipitation entering the intake ductwork.

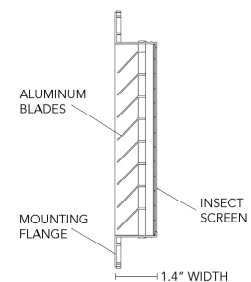

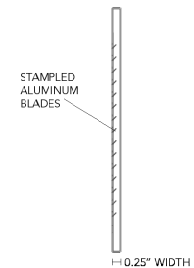

### DIMENSIONS

### GRILLES

- STAMPED # 10004583  
EXTRUDED # 10004594
